

“NEW MATH”

A NIGHT FOR PARENTS!

Do you understand the “new math” concepts your child is bringing home? Learn the “**why**” and the “**how**” behind how math is being taught with BC’s leading numeracy expert!

CAROLE FULLERTON, works with teachers around British Columbia (and beyond!) in the area of numeracy. She will lead parents through the basics of K-8 math in a fun, engaging and interactive workshop. A definite “must attend” if you would like to understand math better!

Everyone welcome!
